## NAME THAT SAINT

She is simple yet sublime, an illiterate peasant who held at bay the powerful and learned. A mystic whose earthly response to her visions was to inspire an army, a girl soldier who remained a virgin, and a political prisoner who stayed resolute. A glorious military heroine who ended up a failure, betrayed by her friends, and while burning at the stake refused to deny her God.

Let us pray for all visitors especially those who are searching. Let us lead by example and a listening ear.

## HELP!!! VOLUNTEERS

We need volunteers to mow, work at the gift shop, and much more. Call 665-8616 or 668-9040 and leave your number and expertise!

**Remember...**

**Work for the Lord pays very little, but the rewards are HEAVENLY!**

**Sunrise Service....a perfect morning, with a great crowd at the top of the hill as the sun rose. Glory to God! For most, an inspirational time—a few glitches like the microphone, but in all things give Glory to God! One couple traveled the day before...400 miles, stayed at a motel, and enjoyed the morning giving praise to God and thanking the volunteers who make the Shrine the place of peace and inspiration that it is.**

## Let Go and Let GOD!!

We need a wall built at the Shrine. Someone offered to donate the labor to put in a concrete wall—great offer, but some of us were hoping for a rock wall. Steve, who did the rock walls that we already have, agreed to build a rock one...with help. Well, the Board felt it was too big of a job, would take all summer, and our workforce of 70+ wasn't workable. "The Rockers" finally thought, if God wants rock He'll have to arrange it! The motion for a concrete wall was made! In visiting with Steve, we told him all our concerns. He said he had help, rocks, a cement mixer, and he and his sons had built a 40' wall in 2 days. Another meeting was set up with Steve, and we start our **ROCK WALL** as soon as we get plans drawn and things organized. If anyone has some rocks they'd like included—bring them on. I think God likes ROCKS!
