Easter morning found a large crowd making their way to the top of the hill where Darold Adamson gave a message encouraging all of us to evangelize. The world needs us and we have a job to do. As we

displayed God's listened, the sun rose and magnificent Power and Glory!

Several years ago, Lisa Chambley lived in Yankton, and converted to the Catholic Faith. She is now joining St. Martin's Monastery in Rapid City, but her love for the Shrine brought her here to help and pray before she enters the Novitiate. Soon to be Sr. Stephanie, our prayers are with you!

May 1st – The Feast of St. Joseph the Worker

This special feast of St. Joseph the Worker was instituted by Pope Pius XII in 1955 as an answer to the Communist celebration of May Day when communist countries and communist parties celebrate by mobilizing the working people in the struggle to build a worldwide communist society.

New Stations of the Cross were placed by several ambitious volunteers and one little helper! The stations were purchased by means of a generous donation. Bow Creek constructed the steel powder coated crosses.

Work for the Lord pays very little, but the rewards are OUT OF THIS WORLD!

PILLARS – THEY'RE GOING FAST!

Now that's a birthday present! Jim Plavec opened his present—a pillar of Saint Wenceslaus. Msgr. Hermann gave his blessing! Seven Saints have been added to the "Way of the Saints."
