On the Fourth of July, there were no fireworks at the Shrine, but there was a bang up event going on. The Sweitzer family, along with several volunteers gathered from, Mn. Co., In., Florence SD and Yankton, to build a rock retaining wall.

Twenty young people from Osmond showed up at the Shrine to take a little tour as they enjoyed a camping excursion. We are pleased they took time to check us out!

Let us PRAY more everyday!

An interesting visitor from NJ spent a bit of time touring the shrine and calling to mind what he might be missing in life. We hope guests find peace and are challenged to seek God as they travel on their way.
