WHY do we use a stick to light the candles? When Mrs. English moved to Omaha and passed away, we lit a candle, and we like to think we are continuing that flame yet today.

SAINT ALOYSIUS is the most recent pillar Saint chosen. Anxious to know more about him, we traveled to West Point, Nebraska, to visit the Saint Aloysius Parish. It is a beautiful Church out in the country. A special Shrine to Mary is found in the Church yard where the Rosary is prayed weekly. What a beautiful sign of Mary's presence there.

NAME THAT SAINT

A Saint for the youth, he was of noble descent, but renounced his position and went to a Seminary. At age four his father dressed him in armor with toy weapons and took him to a battle camp....trying to entice him to the military. He fasted and scourged himself to save sinners. He died at 23 after caring for plague victims.

Steve Schweitzer, a valued volunteer, friend, and spiritual example ascended to his reward 8-16-14—the Feast of St. Stephen! He saw what needed to be done at the Shrine and many other places, and quietly did the work. Pictured are Steve and his wife Mary as they supervise the building of the rock wall. We are sad to see him go, but he's earned his reward. Steve, keep reminding us of what needs to be done, and how to do it!! God Bless!

*Angel of God, my Guardian dear,
To whom God's love commits me here;
Ever this day, be at my side
To light and guard
To rule and guide. Amen*
