Legacy 125—what a feeling of pride it was, our legacy is amazing. Thousands of Catholics gathered to worship and celebrate. The speakers were outstanding. One, Jennifer—a former

atheist turned Catholic—told her story. Her book is available at our gift shop. Many old and new friends of the Shrine stopped by our booth, including the Bishop who commented that we have a beautiful ministry here, and that he needed to visit again. The invitation is open!!

AND look who else was at the Legacy!! Amazing what attention a cardboard statue can attract!

A gentleman who took the above picture told us his story. He was formally a protestant minister, and has been a Catholic for only four years! He and his wife carried the banner for the Cathedral parish. What a life-changing step to take—no job, no insurance, and the loss of many friends. We are expecting a visit to the Shrine from them!

Summer is about over, and my summer bucket list is still full! Every season has its blessings—it just seems summer has the most!

A full house didn't deter Fr. Ken from welcoming a family to Mass at the Shrine as he made room for children near the Altar! Thank the Lord for our generous priests!!

YOU ARE IN LUCK!!! For those of you who couldn't make the weekend, most of the Legacy events including the Business Conference, the Masses, and Keynote speakers can be found on **LAMB RADIO!**

Go to: www.lambradio.com and there you will find videos to enhance your lives!! Go to the site, page down, and there it all is!

We are Blessed...to have the Shrine in our locale. Here are comments left by visitors:
