Mount Marty students volunteered at the Shrine one evening. They trimmed and carried out branches and worked wonders! The hillside looked like an anthill!! Thanks to Jamie and her crew!

NAME THAT SAINT...This Saint was a porter in Canada and gave away oil from the lights that had healing qualities. He is responsible for the St. Joseph Oratory in Quebec Canada.

The HMS Board met Oct. 1 and using a power point presentation of suggested needs and improvements is making a plan to maintain the Shrine in an organized manner. Hopefully it will invite volunteers, even families, to choose a project & run with it!

**THE CASTOR BEAN**...an annual plant that has

grown to almost 8 feet!

Oh, that our faith would grow at the same rate!

**SAINTS**...More pillars are available for a donation. To learn more, call 605-665-8616 or 605-668-9040.

**FALL**...a time when our Creator outdoes Himself with color and beauty like for no other season. It brings sadness also as the flowers fade, and services at the Shrine diminish. **OUR MONDAY MASSES HAVE COME TO AN END FOR THIS YEAR, AND THE GIFT SHOP WILL BE OPEN BY REQUEST ONLY.** Our visitors have appreciated all the volunteers' work and prayers to make the Shrine a very special stopping place. May they be touched by God's presence, and take the Spirit with them.

Armand and Angela pause for a moment in their labor of Love. For several years they have enhanced the St. Isidore area, and as space in the nearby vicinity was neglected, they expanded their base. They bring special soil, buy plants and bushes, and work very hard! They are using the "cast-off" rocks to landscape their adopted space. Rocks make up a scenic part of our panoramic view. God Bless them!
