MAPS have been printed with a bit of history on the back for visitors to find all of our sites, and to know a bit about how the Shrine originated, and continues

NOW IS THE TIME to pray for our country...or as Robert E Lee put it...to really pray...all through the day! **JOIN US FOR THE PATRIOTIC ROSARY SUNDAYS AT 4:00.**

A great way to offer your works and prayers all day, is to start the day with the Morning Offering....found on the back of this bulletin.

VOLUNTEERS.... ARE TRULY OUR LIFELINE. So many have worked diligently this summer reestablishing the grass, and keeping it trimmed, flowers Deadheaded and of course the weeds! Countless hours have been donated in getting the Way of Saints completed. We now even have lights!! Volunteers man the gift shop and numerous other works. **Know our prayers are with you continuously.** GOD BLESS ALL OUR GENEROUS VOLUNTEERS! Including the Priests who make all the work worthwhile!

You don't want to miss the **THE GIFT SHOP** . Our prices are such that people return for more bargains. Our mission in the shop is to spread God's word through fun spiritual reminders as well as statues momentos and a unique book selection that is Catholic and very good.

Here is a view of the Holy Innocents Garden with Jesus and the Children, Rachael, and in the distance, the Way of the Saints. Stop by and learn about these special heros who give us encouragement to live for the Lord in much simpler ways than they did!

VISITORS....many visitors have stopped by to tour or for Mass. The Masses have been well attended, and a group of "bikers" joined the Patriotic Rosary one Sunday. A entourage of thirty-five stopped by ending their pilgrimage retreat in Denver. They came from Minn. Sacred Heart hosted them for the night, and Mass. They were feeling very good about the final leg of their adventure
