Father Mark's last ride to the Shrine...and

for a special event. Mass!! We have appreciated Father Mark celebrating Mass once or twice a month—what a Blessing our Priests are!

We pray for him as he journeys on in Christ's mission for him.

Ed Kremges still takes an active part in the Mass at the Shrine.
GOD BLESS!

*Remembering
Steve Schweitzer*

Many comments come about the peace and beauty of the Shrine, and how

it has recently grown. True, and much credit goes to Steve's quiet pursuit. He is responsible for all the rock walls which add so much. He saw what needed to be done, and did it. One year ago his last endeavor was realized in another retaining wall. May he rest in peace.

God Bless America!

Society is facing many challenges—spiritual, political, and in nature. We are told: "Be Not Afraid," "Trust Always," "Pray Constantly." Good advice, but must be practiced. Attend an extra Mass, say an extra rosary, spend an hour in adoration weekly. It's up to us if we hope to "change the world"!

From the Patriotic Rosary... "To the kindly influence of **Christianity** we owe that degree of **civil freedom**, and **political and social happiness** which mankind now enjoys. In proportion as the genuine **effects of Christianity** are **diminished in any nation**, either through **unbelief**, or the **corruption of its doctrines**, or the **neglect** of its institutions; in the same proportion will the people of that nation recede from the blessings of genuine freedom, and approximate (come close to) the miseries of complete despotism."(tyranny)

"All efforts to destroy the foundations of our holy religion ultimately tend to the subversion also of our political freedom and happiness."

"Whenever the pillars of Christianity shall be overthrown, our present republican forms of government, and all the blessings which flow from them, must fall with them." Jedediah Morse 1799
